ELES LUCE

Elesi Luce è un'azienda giovane, presente nel mercato nazionale e internazionale con una gamma di prodotti dal design innovativo. Sempre attenta a ricercare nuove soluzioni di illuminazione e d'arredo Elesi Luce si avvale sia della progettazione interna sia di collaborazioni con designers esterni. Elesi Luce collabora nella progettazione e realizzazione di prodotti destinati a soddisfare richieste per contract e ambienti particolari. Gli articoli speciali vengono realizzati solo dopo una valutazione circa la loro fattibilità.

Elesi Luce is a young company that is present both in the national and international market with a range of innovating products. In order to offer new lighting solutions Elesi Luce designs both inside the Company and with the collaboration of external designers. Elesi Luce collaborates in the design and production of special products designed to satisfy requests for contracts and particular surroundings. Special items are produced only after assessment of their feasibility.

cocodrillo

Il decoro a cocodrillo è dato dalla fusione a mosaico di due tipologie di vetro: trasparente e pasta.

La lavorazione artigianale rende ciascun pezzo unico.

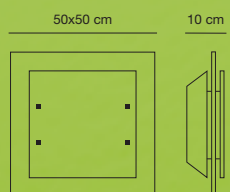

The crocodile effect is created by fusing two types of glass in a mosaic: clear glass and glass paste. Each piece is handcrafted making it unique and exclusive.

La fusione di vetro colorato e vetro pasta crea l'effetto di un materiale irregolare. Ogni stella è eseguita a mano con la molatura del vetro.

By fusing coloured glass with glass paste creates an irregular effect. Each star is handmade with ground glass.

collezione
miraggio

Design elegante per una collezione caratterizzata dal vetro extrachiaro bianco lineare nelle forme.

The glass is the main character of this elegant collection: white and simple in its lines.
