Искусство света – чрезвычайно разнолико и многогранно. Свет создает стиль, настроение, эмоциональную направленность образа мыслей. Главной идеей создания компании Lux Light была идея сотворения прекрасного, которого так мало в окружающем мире, а целью – преобразование жизни эстетическими средствами, своеобразное «исцеление жизни красотой». Наша мечта – соединить профессиональное художественное творчество и производство бытовых изделий, - вызвала переворот в искусстве освещения и сформировала новый стереотип восприятия света и стиля. Команда талантливых дизайнеров, имеющих общемировую известность, ежедневно работает над созданием стильного внешнего и внутреннего интерьерного освещения. Мы счастливы предлагать нашим клиентам только современные варианты световых решений их индивидуальных стильных интерьеров, лучшее качество, достойные цены и высокий уровень послепродажного обслуживания.

Art of lighting is extremely different. Light creates the style, mood, the emotional orientation of your views. The main idea of Lux Light Company's setting up was the idea of beauty creation which is too little around the world, and the aim is improving of daily life by aesthetic means, in other words, " - healing of the life by beauty". Our dream of connecting professional creativity and manufacture of household products, - has caused a revolution in art of illumination and generated a new stereotype of light and style perception. The command of talented designers with universal popularity works daily under creation of stylish external and internal interior illumination. We are happy to offer our clients only modern variants of lighting decisions of their individual stylish interiors, the best quality, the most acceptable prices and high level of after-sale service.

« Мы искренне благодарим Вас, наши дорогие клиенты, за подаренную возможность приносить свет и уют в Ваш дом, а также Вас, наши глубокоуважаемые партнеры, за успешный бизнес, основанный на принципах доверия и взаимопонимания, совместными усилиями поставленный на рельсы устойчивого развития и процветания. Мы будем рады встретить Вас в нашем офисе и фирменных магазинах-салонах!

Pharaoh Lighting

Pharaoh Lighting – популярный и очень успешный бренд на рынке элитного света.

Современные дизайнерские решения от Pharaoh Lighting, основанные на лучших традициях классического стиля широко известны в странах Европы, Америки и Среднего Востока. Теперь возможность насладиться роскошью света Pharaoh Lighting есть и в России!

Царственная масштабность хрустальных люстр, кристальный блеск и позолота величественных бра и напольных светильников, необычайные настольные лампы в стиле барокко поражают воображение.

Умело подобранные интерьерные аксессуары дополняют великолепие элитных светильников Pharaoh Lighting и сделают из любого помещения королевские покои.
